2. NATURE AND SCOPE OF RESEARCH SERVICES

Finverse is registered with SEBI as a Research Analyst and is permitted to prepare and publish research reports on Equity Shares, Equity Derivatives, Mutual Funds and other forms of investments. The research services offered by the Company are strictly independent of its stock broking and depository participant activities, which are conducted through a separate, segregated business function maintaining arms-length distance in accordance with the SEBI (Research Analysts) Regulations, 2014 ("RA Regulations").

All research reports, analyses, notes, and communications published or distributed by the Company in its capacity as a Research Analyst ("Research Material") are prepared solely for information of the recipient only. They do not constitute, and shall not be construed as, investment advice, a personal recommendation, portfolio management, or an assured return service. Clients are under no obligation to execute trades through Finverse's broking platform on the basis of any research recommendation. Readers are requested to take professional advice before investing.

The Company may use artificial intelligence tools for the purpose of streamlining, summarising, and/or paraphrasing the content of its Research Material and to gain analytical insights therefrom. However, the use of such tools does not substitute the independent analysis, judgment, or personal views of the Research Analyst, who remains solely responsible for the views and recommendations expressed in the report.

3. CERTIFICATIONS

The Research Analyst(s) who prepare Research Material on behalf of the Company hereby certify that the views expressed therein accurately reflect their personal views about the subject issuer(s) and/or securities covered, and that no part of the Research Analyst's compensation was, is, or will be, directly or indirectly, related to the specific views or recommendations expressed in the report. The Research Analyst(s) further certify that, as of the date of publication, they have no known conflict of interest that could impair the objectivity of the research.

4. STANDARD RISK DISCLOSURES

- Investments in the securities market are subject to market risks. Please read all related documents carefully before investing, including the Risk Disclosure Document prescribed by the Stock Exchanges.
- Past performance of any security, strategy, or analyst recommendation is not indicative of and does not guarantee future performance or returns.

- The Company does not guarantee, assure, or promise any returns or performance of any security, product, or strategy covered in its Research Material.
- Any forward-looking statements, projections, or estimates in Research Material are based on assumptions that may or may not materialise. Actual results may differ materially from those projected.
- Market data, prices, and charts may be sourced from stock exchanges, depositories, or third-party data providers and may be subject to delays or inaccuracies. The Company does not warrant the accuracy, completeness, or timeliness of such data.
- Research Material does not take into account the specific investment objectives, financial situation, risk profile, tax position, or individual needs of any recipient.
- Users are advised to exercise independent judgment and consult their financial, legal, or tax advisors before making any investment decision.
- Registration granted by SEBI, enlistment as Research Analyst with exchanges, and certification from NISM in no way guarantee performance of the intermediary or provide any assurance of returns to investors.

6. ADDITIONAL DISCLOSURES OF INTEREST

Unless otherwise specifically disclosed within an individual research report, the following representations apply to the Company, its Research Analysts, and their associates and relatives, in relation to the company(ies) covered in that report:

1. Do not have any financial interest in the company(ies) covered in the report.
2. Do not hold more than 1% of the securities of the company(ies) covered in the report as of the end of the month immediately preceding the date of publication.
3. Do not have any other material conflict of interest at the time of publication of the report.
4. Have not received compensation for brokerage services, investment banking, merchant banking, or any other products or services from the company(ies) covered in the report, in the preceding twelve months.
5. Have not managed or co-managed, in the preceding twelve months, any public or private offering of securities for the company(ies) covered in the report.
6. Have not received any compensation or other benefits from the company(ies) covered in the report, or from any third party, in connection with the report.
7. Have not served as an officer, director, or employee of the company(ies) covered in the report.
8. Have not been engaged in market making activity for the company(ies) covered in the report.

Where any of the above representations does not hold true in respect of a specific report, the relevant interest or conflict shall be separately and specifically disclosed within that report in accordance with the RA Regulations.

7. DISTRIBUTION AND JURISDICTION RESTRICTIONS

Research Material prepared by the Company is intended for distribution only within the Republic of India and to persons eligible to receive such material under applicable Indian laws. It is not directed at any person in any jurisdiction where such distribution would be contrary to local laws or would subject the Company to any registration or regulatory requirement outside India.

Recipients in jurisdictions outside India are responsible for ensuring compliance with all applicable local laws and regulations before acting on any information contained in Research Material.

8. RESEARCH REPORT VALIDITY AND ARCHIVE

Every research report carries its date of publication on its cover page. Recommendations are valid for 12 months from the date of publication, unless updated or withdrawn earlier. Investors should not rely on undated Research Material or material that has not been recently updated.

The Company will maintain an archive of all published research reports. The track record of past recommendations — including recommendation date, target price, and actual outcome — is updated periodically and is available to registered clients upon request at [research@finverse.in].

9. GENERAL DISCLAIMERS

- The Company is not an investment adviser under the SEBI (Investment Advisers) Regulations, 2013, and does not provide investment advisory, portfolio management, or assured return services.
- Research Material does not constitute a personal recommendation and does not take into account the investment objectives, financial situation, risk profile, or individual needs of any recipient.
- Research Material is not to be construed as an offer to buy or sell, or a solicitation of an offer to buy or sell, any security where such offer or solicitation would be illegal.
- Information and opinions in Research Material are obtained from sources believed to be reliable but the Company makes no representation or warranty as to their accuracy, completeness, or timeliness, and is under no obligation to update or keep such information current.
- The Company has not been suspended or debarred from doing business by any stock exchange, SEBI, or any other authority, nor has its registration been cancelled, and no material disciplinary action has been taken against it by any regulatory authority impacting its research analysis activities.
- Brokerage, where applicable through the Company's stock broking activities, shall not exceed the limit prescribed by SEBI.
- The Company shall not be liable for any direct, indirect, incidental, or consequential loss arising from the use of its Research Material.

10. COPYRIGHT

The copyright in all Research Material prepared and distributed by the Company belongs exclusively to the Company. All rights are reserved. No part of any Research Material may be reprinted, reproduced, redistributed, or published, in whole or in part, in any form or by any means, without the Company's prior written consent — except that a recipient may reprint it for internal circulation only, and only if reproduced in its entirety and without modification.
